

校長的話

各位聖約瑟的家長、同學及讀者：

本年度《約瑟的創作天空》作品集在暑假前出版了！聖約瑟小學一直重視學生的創作思維，相信每一篇文章、每一幅畫作、每一項創意設計，都是孩子們獨立思考的展現，也是他們對世界的獨特感知。

或許孩子們的作品未臻完美，但作為教育工作者，我深信創作的價值不應限於分數的多寡與技藝的精湛，而是思維的自由與表達的勇氣。《約瑟的創作天空》所收錄的，都是學生們對知識的發現、對美的觸覺、對世界的多角度探索。透過創作，他們得以突破課本的框架，從不同視角審視世界，以文字、色彩、形狀，構築屬於自己的故事與夢想。期望各位翻開這本作品集時，能細細品味每一頁的精彩內容。

孩子們的成長旅程離不開老師與家長的辛勤付出與悉心栽培。老師們在課堂內外用心啟發，鼓勵學生勇敢表達、發掘創意；家長們在家中陪伴支持，提供孩子創作的空間與動力。在此，我深深感謝所有老師的指導與付出，以及家長對孩子創作精神的鼓勵與支持，讓孩子們能夠在這片創作天空中展翅飛翔。

願約瑟的孩子們在未來的學習旅程中，繼續勇敢探索，用創意和智慧描繪屬於自己的天空！

鍾勁翔校長

當神話生物走進現實（飛馬）

1B 楊舒甯

五月二日早上，我因為在陸運會輸掉了跑步比賽，不能取得名次，感到很失望和傷心，所以就自己躲在一角哭。哭了一會，天空突然出現一道長長的彩虹，一隻獨角獸和一隻飛馬從天而降，向着我衝過來。

我當時害怕得不懂反應，只在發呆，以為是在做夢呢！他們飛到我面前，叫我坐在飛馬的背上，他要帶我自由地飛，安慰我說：「別傷心，只要盡了力比賽便是勝利者，最重要是享受過程，從錯誤中學習，從失敗中成長，繼續努力，下次一定可以拿到名次的，你已經很棒了。」聽完後我便不哭了，我們相處得非常愉快。

正當我想向其他人介紹他們的存在時，叮鈴鈴……叮鈴鈴……的聲音響個不停，是鬧鐘的聲音嗎？難道這是一場夢？但這夢又甜又美味！我從他們身上學到當遇到任何事情和困難時，一定要用正面樂觀的心態去面對，這樣便可以令自己進步和成長。希望大家都可以遇見心中理想的神話生物！

當神話生物走進現實（風獅爺和獨角獸）

2B 龔芍喬

「呼——」颱風把學院的木棉樹吹得搖來搖去，大家都害怕得很。

突然，金光一閃！「是風獅爺！」我們全班都驚喜地跳起來。牠威風凜凜地站在圍牆上，張開大嘴「咕嚕咕嚕」地吞吃狂風，肚子變得圓滾滾的，「嗝——嘖——！」吐出一串七色泡泡，小颱風正在裏面轉圈呢！

「叮鈴！」獨角獸醫生也踏着銀光趕到。牠用發光的獨角輕碰被風吹跌的同學，傷口便馬上消失，我們都興奮地拍掌。風獅爺一面用尾巴捲回小松鼠，一面伸出爪子，扶着快要倒下的籃球架；獨角獸醫生撒下閃閃魔法粉，細心地為小鳥包紮翅膀。

我們分成守護小隊，有的學風獅爺綁繩子，有的跟獨角獸醫生學用樹葉當繃帶，在大家齊心協力下，終於戰勝了颱風！

雨過天晴，彩虹高掛在天空。風獅爺送給我們一顆會發光的寶石，獨角獸醫生悄悄地說：「當它閃亮時，就是要施展善良魔法的時候！」現在，每當神奇寶石亮起來，我們就去幫助別人。

雖然風獅爺和獨角獸醫生乘着彩虹離開了，但我們學會最神奇的魔法，就是善良和勇敢！

當神話生物走進現實 (月兔)

3A 郭灝然

今天是中秋節，我和哥哥在晚上八時準備到公園玩耍。當我在家門前的空地等待哥哥出來時，突然看見了一個有長耳朵的黑影從天上跳下來。「不會吧！應該是我的錯覺吧！」我心想。這時，這團影子緩緩降落在我面前，原來是一隻小兔子呢！

我十分驚訝，說：「你……你是誰？為甚麼你會從天上下來？」兔子輕聲地說：「你好，我是月兔，我一直在月亮上居住。但中秋節留在天上太悶了，所以我來逛逛。請問你可以帶我去玩嗎？」我相信了月兔的話，悄悄地說：「好吧，我正要公園呢！不過我會替你隱瞞身份，否則就麻煩了！」月兔點點頭，先假扮成兔子玩偶讓我抱着，然後一起出發。

到達公園後，哥哥先玩燈籠，我便跟月兔一面吃水果和月餅，一面互相分享生活趣事，相處得很和諧。月兔也假裝成寵物兔，跟公園其他寵物一起賽跑，十分有趣呢！

到了十時，月兔說是時候回到天上了。牠詢問我可否送一些水果和月餅給牠。臨別前牠也送了一塊會發光的石頭給我呢！我會好好保存這份禮物和回憶，也會學習月兔樂於分享和禮尚往來的精神。月兔，再見了。希望有機會再見到你吧！

當神話生物走進現實 (青龍)

4A 區柏濤

有一天，我一覺醒來，睜開眼睛就看見東方神獸——青龍。我驚訝得目瞪口呆，我心想：為甚麼青龍會出現在這裏呢？牠的吼聲沉重而雄渾，簡直能把我的耳膜震破！

經過短暫的交流，我發現青龍不僅跟正常的寵物一樣性格又溫純又活潑，而且很容易相處，我們很快就變成好朋友了，並且喜歡一起穿越在天地八極之間，牠的龍爪一撥就能夠呼風喚雨。

接着，我在空中翻了兩個筋斗，就騎在青龍背上。牠的速度時快時慢，不消半秒，我已經飛上了九斗雲，那裏的風景壯觀極了！突然，牠迅速往低處衝，我差一點就要被拋出去，然後牠又往高處飛去，我看見世界最高的珠穆朗瑪峰，非常雄偉！我彷彿坐在一架過山車上。我們玩累了，就降落在一處綠油油的平地野餐，十分悠閑自在。我們吃了許多食物，例如：香腸、火腿、雞翼……就像「大食會」一樣。我們吃得津津有味、樂不可支。

還有一段小插曲，正當我騎乘着青龍回家途中，我們碰見有一棟大樓正陷入熊熊烈火之中。青龍馬上呼喚雨水，滂沱大雨撲滅了無情的烈火。青龍的舉動，拯救了整棟大樓的住客，無意中成為了「無名英雄」。不過，快樂的時光實在過得太快，牠又要返回「三界」，我帶着依依不捨的心情跟牠「分手」了。希望將來能夠與牠再次相聚！

我認為青龍見義勇為的行為非常值得我們學習。即使事不關己，也會不求回報地幫助別人，非常值得我們欣賞和稱讚。

當神話生物走進現實 (獨角獸)

5B 陳思彤

聖誕節的時候，由於我的爸媽要工作，所以只留下我在姑姑家裏過節。

我在姑姑家裏十分無聊，沒有任何東西玩。我不經意地說了一句：「如果爸媽不用上班，可以陪我慶祝聖誕節就好了。」突然，姑姑家的大門傳來了一陣陣敲門聲，原來是我的爸媽來接我回家過節呢！他們手中還拿着聖誕禮物要送給我。睡覺時，我一直思考着我許的願望，無法安然入睡，所以決定再許一次願——希望我可以擁有一個新書包。怎料，一個書包從天而降，還有一束光引領我到屋外。走到外面時，我看到了一隻彩色的獨角獸！我驚惶失措，拔腿就跑，可是牠不費吹灰之力就追上了我，還告訴我牠可以替我實現願望。我既興奮又驚訝，不敢相信這世上竟有獨角獸存在。

回家後，我給獨角獸取了名字叫小夢。小夢利用牠的魔法將自己縮小，藏在我房間裏。我暗暗下定決心，要和小夢一起幫助更多的人。

一大清早，我帶小夢去了醫院。我找了一個沒有人的位置，低下頭許願：希望所有人的疾病都能康復。這時候，一個病人從檢查室跑了出來，大喊：「我的癌症康復了！」接二連三的病人也跑了出來，所有人都康復了！我微笑着看着小夢，牠也靠過來在我的腳邊撒嬌。當天的新聞都是關於醫院病人全康復了的事件，我情不自禁地讚賞小夢，並給了牠一個大大的擁抱。

這件事情後，我決定將小夢公開，讓牠好好幫助有需要的人。平日牠看到有需要的人，也會主動請求我許願幫助他們，這讓我明白遇到有困難的人，要主動伸出援手。小夢現在被應用到各地醫院拯救病人，有時還會回來探望我，這令我感到十分感動和窩心……

當神話生物走進現實 (吸血鬼)

6B 盧曉桐

相信大家知道甚麼是吸血鬼，在大家眼中，也是傳說罷了。當然，我也不例外，我認為這只不過在故事裏才會出現，像這樣魔幻的東西，又怎會出現在現實呢？不過直到那一天，我便打破了這個定論。

這一天，也即是顛覆我認知的一天。在炎炎夏日之下，有誰不想喝一杯既涼冰冰，又甜絲絲的冰淇淋呢？我邁着輕快的腳步，哼着輕快的旋律，一步一步地走向冰淇淋店，一路上都充斥了我歡樂的歌聲。

可是，人算不如天算，在我差不多到達的時候，原本天高雲淡的天空，突然變得烏雲密佈，連一絲光也沒有。我的心情也是瞬間跌落谷底，我一反常態地感到失落。不過，令我大吃一驚的是，天空上竟然出現了一條裂縫！我心想：難道這是「時光隧道」嗎？我簡直是「預言家」！就在此時，有一個身穿黑斗篷的吸血鬼從天而降，把我嚇得面無血色，目瞪口呆，只想找人求救。

吸血鬼逐漸向我走過來，他雙手垂下，像殭屍一樣恐怖。此時的他面無血色，臉色蒼白，好像餓了很久。我隨手拾起地上的粗樹枝作防身之用，可是看見他那饑腸轆轆的表情，又下不了手。不過，他可是赫赫有名的吸血鬼啊！我怎能對他心軟呢？我已經被他嚇得魂飛魄散，驚惶失措了。我不禁開始胡思亂想：如果我被他咬了，是不是會死？還是會變成吸血鬼，進入永生……我緊張得緊皺眉頭，不敢直視他。

就在這時，有一個人拿着紅色的液體衝了過來，我以為那些是血，便嚇得立刻暈倒。當我醒來後，那個人告訴我，那些「血」其實是番茄汁，他更告訴我從十八世紀開始，所有吸血鬼都已經用番茄汁代替血了，他們只會在太餓的時候，才會吸食人類的血。

我很好奇他為甚麼知道那麼多，結果他把自己的口罩除下，原來他也是吸血鬼。說完，他便消失了，只留下我和那個從天而降的吸血鬼。我鼓起勇氣，問他叫甚麼名字，他竟然熱情地回答：「我是德古拉，很榮幸能夠認識到你。」德古拉真的令我膛目結舌，雖然他外表恐怖，卻有一顆善良的心，蘊藏着一份純真的善意。我們志同道合，用不了多久，我們便成為了知心好友，我也一直幫他隱瞞他是吸血鬼的身份，防止有人把他當成研究對象。可惜的是這一天終究要到來……

今天，德古拉也是一如既往地穿着黑色的外衣，出外逛街。他這樣穿不但不會被太陽照到，變成灰燼，而且不會被人認出。但是天公不作美，他被一個路人認出來了！這位路人的眼睛閃亮得像天上的星星，顯然是十分渴望跟德古拉合照。我看到這位路人後，立刻捉住德古拉的手奮力狂奔，最後竟然跑到一個死胡同裏，我和德古拉都被他包圍住。我們已經跑得上氣不接下氣了，最後只能徹底放棄。我打算把吸血鬼的真實情況說出來，正當我準備這樣做的時候，德古拉竟然在千鈞一髮之際消失得無影無蹤。而那個男孩也撓着頭，疑惑地離開了，看來是德古拉刪除了他的記憶。

自此以後，我就再也看不到德古拉了，也許他還存在着，也許他已被太陽照射得化成灰燼，也許他一直隱形地陪在我身邊……雖然我們只是認識了一段小時間，卻建立了濃厚的友誼。我知道既然他都離開了，就不應再挽留他。可是我卻一直想起他，他總是浮現在我的腦海中……

這次神奇的經歷確實令人感到震驚，但卻令我明白到要珍惜眼前的一切事物，不要在失去時，才感到惋惜。雖說朋友無論相隔多遠，都是心連心的，但我們希望我們能再次相遇，即使是在夢中也好，反正只要能相見，我便滿足了……

各級亞軍作品

當神話生物走進現實 (獨角獸)

1A 蔡芊諾

復活節假期的某一天，我在家裏玩耍。當我揮動魔法棒的時候，有一道強光從魔法棒發出。突然，我的眼前出現了一隻獨角獸！

這時，我感到有些驚訝，也有些興奮。然後，獨角獸跟我說：「你的願望達成了。」我回想起上星期的某個晚上，抱着獨角獸娃娃，心裏想着假如他是真實的就好了！後來，我騎着獨角獸在空中飛翔，還欣賞了美麗的風景。為了保護獨角獸，我不會把這件事情告訴別人。

獨角獸的出現令我明白到只要有信念和希望，看似不可能的也會變成可能。

當神話生物走進現實 (月兔)

2A 鄧巧翹

那是一場寧靜的滿月之夜，我正在陽台上欣賞皎潔的月光，忽然，一道銀白色的身影從天而降，是一隻毛茸茸的月兔呢！

牠的耳朵閃着淡淡的光輝，紅寶石般的眼睛好奇地打量着我。我嚇了一跳，但隨即被牠可愛的模樣逗得哈哈大笑。我輕聲向牠打招呼，月兔似乎聽懂了，蹦蹦跳跳靠近我。我們一起玩捉迷藏，靈巧的身形在月光下閃爍，像個調皮的精靈。我還拿出珍藏的蘿蔔乾招待牠，牠吃得津津有味，耳朵愉快地晃動着。

不久，爸爸媽媽回家了，我興奮地拉着他們來看月兔。起初他們一臉不可置信，但月兔乖巧地鞠了個躬，還用爪子替媽媽整理散落的毛線，逗得全家人都笑了起來。

原來，月兔是因為人間的善意越來越少，才下凡來提醒人們要保持純真與善良。牠教會我們，即使生活忙碌，也要記得對身邊的人溫柔相待。從那以後，我們一家人常常一起賞月，而月兔偶爾也會來作客，帶來歡笑與溫暖。

當神話生物走進現實（月兔）

3B 王駿岳

中秋節，我和家人到公園賞月。但是人太多，我不小心走失了。當我正慌張地找家人的時候，見到樹上有東西在閃閃發光。我好奇地上前看看，原來是一隻會發光的兔子。

我驚訝地大叫：「哇！世界上竟然有會發光的小兔！」兔子生氣地回應：「我不是發光的小兔，我叫月兔！」

這隻兔子還會說話呢！真的嚇了我一跳！突然想起老師曾經說過，相傳月兔是住在月亮上的月宮，是神話生物，真想不到在現實中會遇到！月兔繼續說：「我跟朋友失散了，找不到回月宮的路。通道只會在中秋節晚上開通，如果找不到通道入口，我就不能回家了。」我看見牠楚楚可憐的樣子，決定幫牠四處找找。

我們沿着公園的樹林一直走，邊走邊看看有沒有發光的東西。最後，在池塘的大樹下找到月兔的朋友。月兔就興奮地向我道謝，然後跑去和朋友會合，一起回月宮。

送了月兔回家，我也聽到爸爸媽媽在叫我，我向聲音的方向走，終於找回家人。在回家的路上，我和爸媽分享了和月兔的相遇，他們都覺得很不可思議呢！

當神話生物走進現實（海龍王子）

4B 鄧尹晞

暑假的期間，我和家人一起去了沙灘遊玩。那天萬里無雲，沙灘水清沙幼。我獨自去了拾貝殼，在沙灘的邊緣看見一個閃閃發光東西，近看原來是海龍王子——敖丙在休息。

我既驚訝，又興奮，大膽地問他：「你可否帶我到海底玩耍？」他大方地一口答應說：「當然沒問題！」他馬上變成一條龍，我騎上他的背，他便潛到海底了。我們到了海底後，看見七彩繽紛的珊瑚，還有琳琅滿目的海洋生物，有海龜、沙甸魚群和海豚等，十分壯觀。當我們還很高興時，突然有一尾凶神惡煞的鯊魚高速地游向我們，想吃了我們似的。幸好，我們立即躲進沉船裏面，鯊魚找不到我們，我們才能逃過一劫。我感到十分驚險。

敖丙讓我學習到有困難時不要放棄，要找出解決辦法。多謝他帶我到海底冒險，讓我看見那麼美麗的海洋，並提醒我要保護環境，愛惜海洋，讓大家都可以欣賞美麗的海底世界。

當神話生物走進現實（九尾狐）

5A 廖晉彥

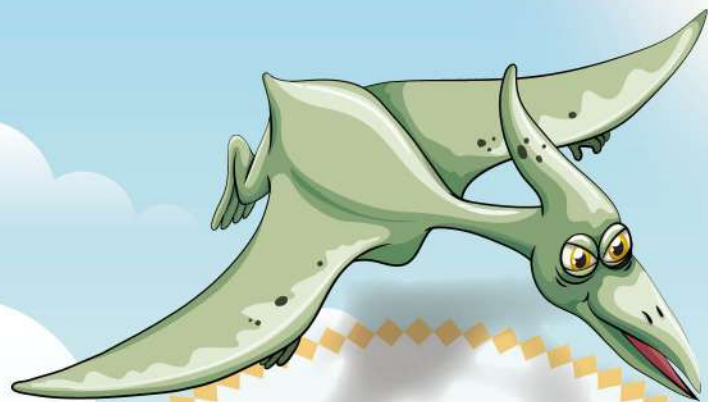

昨天，我發了一個奇怪的夢，發現夢裏的我拿着一個盒子。一覺醒來後，我不小心把盒子帶到現實世界中。當我還在研究這個盒子時，好像不小心按到了它的開關。一陣巨響後，一隻九條尾巴的妖精出現在我眼前，牠便是「九尾狐」。

牠在我面前自言自語地說：「太好了！我終於解除封印了！」我看見身材龐大的九尾狐，不禁感到十分震驚。牠又對我說：「感謝你，我的救命恩人，我如何報答你是好呢？」可是我腦子裏只是想著逃跑，深怕牠會吃掉我。牠好像懂得讀心術似的，對我說：「恩人，我是不會傷害人類的。在一千年前，有個叫做薩爾達夫的惡魔把我封印在這個盒子裏，我還跟他打鬥了一番。原本我在那次戰鬥中應該會喪失性命的，但是有一個名為羅神的人類幫我擋下了致命的一擊，他卻犧牲了他的性命，所以我對人類有深刻的情感。」

我開始教牠如何融入這個星球，牠也努力學習這個星球的文化，例如：搭公交車、吃飯、玩耍……我發現我和牠相處時十分愉快，可是把牠藏在家裏也不是一個辦法，於是我決定給牠找工作。由於我的工作為警察，在我了解完牠的能力後，發現我的工作十分適合牠。原來牠可以變身成人類！在人類狀態下，牠顯得十分強大，就連重刑犯也能輕鬆捕捉。局長對九尾狐說：「你真是幫了我們警察一個大忙呢！」可是九尾狐卻謙虛地說：「這是應該的，人類曾經多次幫助我化險為夷，這對我來說是一個極大的恩情啊！」

事隔幾天，警察局突然收到一個大型恐怖份子組織的恐嚇信，要求他們給出一百萬美金，要不然就會向城市投擲核彈。第二天早上，天空莫名奇妙地出現了一架飛機，那正是恐怖份子準備投擲核彈的飛機。於是九尾狐開啟牠的終極形態，硬生生地擋下這枚核彈。那時的九尾狐已經傷痕纍纍了，只見九尾狐的身體慢慢分散成碎片飛上天空，原來牠的身體已經到了極限了！九尾狐對我說：「再見了，我的好兄弟。感謝你和我度過快樂的時光，我……」我淚流滿面地說：「我也是，你不要走啊！」這時，一顆牙齒掉落在地上。突然，天空出現了一道神秘的傳送門，裏面出現了一個神秘人，他全身發光，指着那顆牙齒對我說：「少年，可以把它給我嗎？」神秘人就是九尾狐的父王，牠想把兒子帶回神話世界。轉瞬間，那道傳送門便消失了。現在我只能憑着記憶回想起我與九尾狐快樂的時光，往後的日子裏，生活也變得平平無奇。我臉上露出一絲遺憾，但我知道牠回到神話世界才是最好的選擇。

當神話生物走進現實（巨龍）

6A 劉嘉琪

有一天，一位男士正站在陽台上刷牙。晨光中的城市一如既往地繁忙。突然，一陣尖銳的警報聲響徹全城，他皺眉抬頭，以為是防空演習。

突然，一個巨大的陰影從雲層中俯衝而下，遮天蔽日。巨龍發出一聲震耳欲聾的咆哮，聲波震碎了附近幾棟高樓的玻璃。市中心已亂成一團，巨龍在城市上空盤旋，突然俯衝向一棟摩天大樓。牠鋒利的爪子輕易地刺穿了鋼筋混凝土結構，就像撕開一張薄紙。

這時，遠處傳來戰鬥機的轟鳴。三架戰機從雲層中穿出，向巨龍發射導彈。爆炸的火花在巨龍周圍綻放，濃煙遮蔽了視線。巨龍終於支撐不住，牠突然振翅高飛，消失在雲層中。

各級季軍作品

當神話生物走進現實（神獸）

1B 林俊宇

今天下午放學時，天空烏雲密布，要下大雨了，我趕緊回家。突然一陣狂風迎面吹來，雷雨一響，我嚇得蹲下來，這時，我看見一隻白色的花貓在草叢裏，牠可憐地看着我，我不忍心留下牠，便抱着牠跑回家。

回家後，我生怕媽媽發現，將牠藏在睡房，牠有一雙藍色的眼睛，閃耀極了！我說：「貓兒，你很漂亮！」牠回答：「多謝！」然後牠轉了一圈變了一隻大白虎，走上了我的床。我嚇呆了！牠說：「我是天上四神獸之一，名叫白虎，你是我選的勇士，為了你愛的人拿出勇氣對抗散播病氣的黑龍。」

晚上，我騎着白虎飛上天上，追趕天空中噴黑氣的黑龍，黑龍被白虎噴的白光射中便消失了，白虎完成任務後向我道別，叫我以後要成為勇敢的勇士。

當神話生物走進現實（美人魚）

2A 楊卓娜

有一次，我在海面拍照時，忽然不小心掉進海裏，一條非常美麗的美人魚救了我。

當我掉進海後，我非常害怕，因為我不懂游泳，我不斷掙扎，喝了大量海水，非常辛苦。這個時候，有個黑影從海面上游上來，她救了我，帶我游到岸邊。我看到一條閃閃發亮的美人魚，我非常驚訝，因為這是我第一次見到美人魚。

她有金閃閃的長髮，她沒有雙腿，但她有一條閃閃發亮的長尾巴，她非常美麗動人。她救了我，還和我做了好朋友。我們約定每個星期日，都會到海灘相聚，談天說地。

日子久了，大家都接受了美人魚，她還當了大家的救生員。有人遇溺，她都會第一時間出現，拯救人們，她亦替漁民尋找魚群、捕魚，大家都非常喜歡她。我想像她一樣英勇，經常幫助別人，得到大家的認同。

當神話生物走進現實（美人魚）

3A 盧曉柔

星期天，我和家人到大浪灣泳灘滑浪時，我竟然看見從神話故事穿越過來的美人魚呢！我大吃一驚，但她很快便消失在大海中。

接着我和家人去滑浪。我拿起滑浪板，「撲通——！」一聲，便跳進水裏去。我得意忘形，結果在滑浪時不小心遇溺了。我害怕得驚惶失措、不知所措……

這個時候，有一把溫柔的聲音傳了過來，我便迷迷糊糊地昏了過去。不過在我昏迷的前一瞬間，我隱隱約約地看見一條魚尾巴。當我醒來的時候，我發現自己躺在沙灘上。我睜開眼，看見一位長頭髮，下半身長出魚尾巴的可愛女生。

我一直隱瞞着這件事，但美人魚樂於助人的精神卻深印在我腦海中。

當神話生物走進現實（神龍）

4A 黎穎姿

由於今天天氣風和日麗，萬里無雲，於是我打算到公園散步……誰知當我走到前院時，發現了一枚淡藍色的蛋。就在這時，蛋碎了，有一隻神龍跳了出來。

見到只有在中國神話故事中才會出現的神龍，我頓時興奮得手舞足蹈，想也不想就帶着牠來到我十分要好的朋友——小明的家中。小明看到我和一隻深藍色，背上長着一對蝙蝠翅膀的神龍站在一起後，立刻目瞪口呆，就像一座雕像似的站在門口，一動不動，呆了大半天才回過神來。

突然，我們看見遠處的山上發生了火災，我們都緊張地把這件事告訴消防局。由於小明家與消防局之間只有十幾米，所以消防車在十分鐘內便到達了發生火災的山腳下。誰知，當消防局還在準備救火時，神龍發出一陣低吟，天色逐漸變暗，還下起大雨。雖然山火在一瞬間就被撲滅，但由於神龍還是個小寶貝，未能控制好雨勢，所以引發了小型山泥傾瀉，幸好沒有造成任何傷亡。

小神龍的出現引起了軒然大波，最後牠成為了一名滅火明星，消防局局長也邀請牠加入消防隊。消防局局長帶神龍到消防局後，第一件事就是教神龍如何控制好雨勢。

有了神龍的加入，消防隊滅火的效能被大大提升，滅火所需的時間和火災造成的人命傷亡、財產損失也被大幅度減少了。有時候，神龍還會被到其他國家邀請幫忙滅火呢！這樣不但可以讓神龍幫助其他國家，還可以讓牠認識更多地方，真是一舉兩得啊！

當神話生物走進現實（巨龍）

5A 鄧孝銘

那是一個再尋常不過的早晨，我拉開窗簾，陽光灑進房間，卻對上了一隻巨大的金色豎瞳！一條龐大的巨龍正趴在窗外，鱗片在晨光中閃爍着青銅色的光澤。我嚇得倒退兩步，嘴巴張得老大，心臟快要跳出胸口。

然而，巨龍並沒有噴火或攻擊，而是歪了歪頭，突然伸出粗糙的舌頭舔了我一下，像隻好奇的大狗。我愣了幾秒，忍不住笑了出來。原來牠並不可怕，只是對這個陌生世界充滿好奇。

我偷偷溜出家門，發現巨龍的腳邊躺着一本翻開的古老魔法書。書頁上寫着：「喚醒沉睡者，真實與虛幻交錯。」看來，是某個粗心大意的魔法師不小心把書中的巨龍釋放了出來！

為了不讓巨龍被發現，我決定帶牠躲開人群。我們避開大路，穿越森林，巨龍笨拙地跟着我，時不時被蝴蝶吸引而撞倒樹木，或是對着自己的倒影噴出小火苗。傍晚時，我們終於找到一處隱蔽的山谷，巨龍興奮地盤踞在洞穴裏，用尾巴捲來野果與我分享。

然而，隱藏巨龍並不容易。第二天，城市上空突然出現一群飛過的巨龍，原來魔法書的咒語影響了整個圖書館！天空頓時熱鬧非凡：巨龍們有的幫助農夫烘乾稻穀，有的不小心燒焦了郵差的帽子，還有一條幼龍纏着學校的鐘樓玩耍。

人們從驚慌到驚喜，最終接納了這些神話生物。巨龍們教會了我們勇敢與好奇，而我們則教會牠們如何與人類共處。每當夕陽西下，我總會騎着我的巨龍朋友飛過城市，看着地上的人們笑着向我們揮手……這或許就是魔法帶來的最美好的意外吧！

當神話生物走進現實（巨龍）

6A 胡暄晴

雖然很多事情已經逐漸模糊了，但那次神話生物突然出現在現實中的經歷，令我刻骨銘心……

一年前，我在放學的路上突然看見有一道門出現在我面前。有一隻巨龍從門裏飛出來，牠看到我看牠後，便把我拉到一個沒有人看見的地方。牠告訴我，因為在二千年前的人看到牠，想把牠抓起來研究，所以才坐時光機來這裏的。

我聽後，便打算保護牠。於是，我拿起手機詢問媽媽的意見。牠立即瞪大雙眼，然後問：「這是甚麼東西？」我感到奇怪，然後突然想起在二千年前是沒有電子產品的，所以我便對牠說：「這是手機，不但可以用來學習更多知識，還可隨時隨地與人溝通和了解世界各地發生的事情呢！可是，現在很多人只顧用牠來玩遊戲，忽略了它的好處。」巨龍也感到可惜，還說在二千年前，人們為了工作和學習，只能在不同的節日團聚，在其他時間不能見到家人。

巨龍跟我回到家後，牠十分好奇，在家裏走來走去，認識不同的科技。我把冷氣的溫度調至十五度，然後開了兩台風扇，媽媽立即制止我，並把冷氣溫度調回二十五度。巨龍問：「這是甚麼？」媽媽便回答：「這是冷氣機，可以調校成不同的溫度，使這裏的溫度變得更冷或更暖。但是，很多人經常過分地使用，使全球的温度急速上升，影響了很多生物，例如是北極的冰川溶化，令北極熊失去家園。」媽媽說完後，我慚愧地低下頭，面紅得像紅蘋果。

經過了這一次的經歷後，我明白到我們應該善用和珍惜現在有的東西，不應沉迷和浪費，因為這些東西在以前是沒有的，是靠前人的努力得來的。

My dream school is Happy School. There are five floors.

There is a library. It is on the third floor. We must keep quiet and wait for our turn in the library. We mustn't run or hit one another. We mustn't litter or spit there.

There is a tuck shop on the ground floor. There are many snacks and drinks. All students enjoy eating. We must follow all the rules.

I love my dream school because it is big and clean.

At the Shop

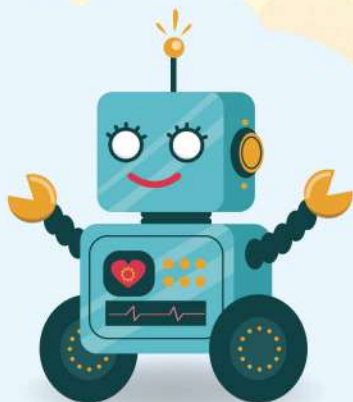

Today is Saturday. Carrie and Leo are at home. They want to buy a birthday present because it is David's birthday.

Carrie and Leo are in Fun Toy Shop because they want to buy a toy car for David.

Carrie asks the shopkeeper, 'How much is a toy car?' The toy car is fifty-five dollars. They feel very sad because they don't have enough money.

But Carrie and Leo can buy a robot for David because the robot is cheaper. It's just fifty dollars. They buy the robot. They feel happy now.

How to Make Bacon & Mushroom Sandwich

1. First crack and put the eggs in a bowl.
2. Then put the bacon in the bowl and fry the mixture for five minutes. Put it on the bread.
3. Then cut the meat and fry it for five minutes and put it on the fried egg.
4. Fry the mushrooms for three minutes. Put them on the meat.
5. Finally put some jam and a slice of bread on the meat and enjoy your cool sandwich!

A Letter of Advice

Dear Chubby,

How are you? I am writing to give you some advice on building new healthy eating habits.

First, you eat too much meat! It is bad for you because it makes you fat. You will become heavier and fatter! You will consume a lot of calories. You need to eat less meat because meat contains lots of calories. Also, you need to eat more vegetables because they contain a lot of vitamins and minerals.

Second, you eat too much fast food! It is bad for you because it makes you fat too. Eating a lot of oily food will make your teeth yellow! You need to eat less fast food because a lot of oil has been added to it. You also need to eat more fruits because they are healthy and juicy.

Lastly, you drink too much cola! It is bad for you because it is high in sugar. You will have a fever or a tummy ache if you drink too much. You need to drink less cola because it will give you cavities! Afterwards, you need to drink more water because you need it to support your flesh and body.

I hope you'll listen to my advice. I look forward to seeing a healthier you!

Your best,
Luna

By 4A Yeung Hei Tung

A Letter of Advice

Dear Chubby,

How are you? Are you fine? I am writing to give you some advice on building new healthy habits.

First, you eat too much junk food. It makes you fat and become heavier and chubbier. You need to eat less fast food. Also, you need to drink fewer soft drinks. You will consume a lot of calories, which is bad for you. If you drink too many soft drinks, they are bad for you.

Second, you eat too much meat. You will be fatter. You need to eat less meat because meat contains a lot of fats. You need to eat more vegetables so you can have more vitamins and minerals.

Third, you eat too much rice. You need to eat less rice. It makes you get too much sugar. You need to eat more fruit. It is good for our health.

I hope you will follow my advice. I am looking forward to seeing you become thinner.

Best wishes,
Samuel

My Best Friend

My best friend is Ennis. Her birthday is on 27th May. She is 9 years old. She lives in Shek Wu Tong. She studies in Class 4A.

She is 120cm. She is shorter than me. She is 25.5kg so she is lighter than me. Her hair is straight and long. She is thin because she doesn't eat a lot. Her skin is white.

Her hobbies are doing gymnastics and dancing. She is the best at gymnastics in my world. She often does gymnastics on Fridays. She also sometimes goes dancing on Saturdays.

She is a cute and shy girl. She is the funniest and kindest girl in school. I am joyful to be her friend.

By 4B Lam Elizabeth

My Best Friend

My best friend is Kayton. He is nine years old. His birthday is on the sixteenth of August. He lives in Kam Tsin Wai. He studies in Class 4B.

Kayton's height is one hundred and twenty-two cm. He is shorter than me. His weight is twenty-four kg. He is lighter than me. His hair is short. His body shape is chubby. His skin tone is tanned.

Kayton's hobbies are playing squash and going swimming. He is good at sports. He always plays squash in Yuen Long.

Kayton is a strong, cute and hard-working boy. He is the smallest but strongest boy in Class 4B. I am very happy to have this friend!

Special Smart Light

Do you know how to make a smart light? This special smart light is made of simple materials.

You need:

- an iPad
- a breadboard
- LED lights
- batteries
- a wooden holder
- a micro:bit
- a sound sensor
- a battery holder
- a plastic sphere
- markers

Steps:

1. First write a Smart Light programme on the iPad. When you clap six times, the lights will be fully on.
2. Next connect and place the micro:bit onto the breadboard.
3. After that add a sound sensor, LED lights and a battery holder to the breadboard.
4. Next insert batteries into the battery holder.
5. Then place the breadboard inside a plastic sphere.
6. After that use a wooden holder to secure the plastic sphere.
7. Finally decorate the plastic sphere with markers.

Follow the above steps to make your own smart light.

It can be used for helping the elderly in need!

By 5A Lai Tin Yam

Fantastic Smart Light

Do you know how to make a smart light? This fantastic smart light is made of simple materials.

You need:

- an iPad
- a breadboard
- LED lights
- batteries
- a wooden holder
- a micro:bit
- a sound sensor
- a battery holder
- a plastic sphere
- coloured pencils

Steps:

1. First write a Smart Light programme on the iPad. When you clap once, one light will be on.
2. Next connect the micro:bit to the iPad via Bluetooth.
3. Then place the micro:bit on the breadboard.
4. After that add a sound sensor, LED lights and a battery holder to the breadboard.
5. Next insert batteries into the battery holder.
6. Then place the breadboard inside a plastic sphere.
7. After that use a wooden holder to secure the plastic sphere in place.
8. Finally use coloured pencils to draw some pictures on the plastic sphere.

Follow the above steps to make your own smart light. It can be used for helping the elderly in need!

By 5B Phang Xin Le

Let's Behave Well at Home

Do you feel blue when you see your siblings being mean to your parents? Today, I am going to give you some advice on how to behave well at home.

First, we should be nice to our parents. For example, we should listen to them patiently when they teach us to do homework. Also, we shouldn't be mean to them because it is rude.

In addition, we should be helpful to our siblings. For instance, we can help them with their homework. We can also help them with their housework.

Finally, we should be polite to our grandparents. As an illustration, we can talk to them when they feel bored. We shouldn't shout at them because it is very impolite.

Good manners start with respect. With respect, we can bring happiness and kindness to all our family members. So, let's do it together!

By 5A Tang Hau Ming

Let's Have Good Manner at Home

Do you feel mad when you see someone shouting at his/her parents? Today, I am going to give you some advice on how to behave well at home.

First, we should be kind to our siblings. For example, we should take care of them when they get hurt. Also, we should share our toys with them.

In addition, we should be polite to our helpers. For instance, we should say 'thank you' and 'please' more often to them. Furthermore, we should speak softly to our helpers.

Finally, we should be nice to our parents. As an illustration, we should always help them with housework. Of course, we should listen to our parents patiently.

Good manners start with respect. With respect, we can be more considerate to our family members. So, let's do it together!

By 5B Chan Sze Tung Kylie

Together We Can Save Animals

Most of the people love pandas because they are very cute. However, the next generation might not be able to see them anymore because they might become extinct. This will happen unless we save them now.

The first problem pandas are facing is the loss of bamboo forests. People destroy bamboo forests for bamboo. Therefore, there is not enough bamboo for pandas to eat and they became endangered. We should stop buying things made from bamboo.

The second problem pandas are facing is getting poached. Hunters poach them because they can be sold at a high price. Hunters will keep hunting them unless we don't buy pandas or things made from them.

Finally, I hope you all will protect pandas from extinction.

By 6B Mak Ling Fung

Together We Can Save Animals

Many animals are becoming extinct because people do a lot of bad things to them. One of them is tigers. Today, I am going to write about what people do to tigers and how we can save them.

First, people do illegal hunting. People hunt tigers for their fur to make carpets. They also destroy the forests and dump rubbish into the forests, destroying their home.

Therefore many tigers died and the number of tigers dropped dramatically from 100000 to 5000. They lost their home and became endangered.

How can we help them? We can tell everyone not to kill tigers or buy tiger products. Then they will not be endangered. We should stop destroying the forests and we need to use less paper too.

Let's work together and donate to save endangered tigers. Then we will have a more beautiful Earth.

By 6A Shih Yat Ching

Eric Made a Wish

Long ago, there was a short boy called Eric. He always wanted to be tall because he usually got bullied for his height at school.

One day, Eric's mom had to do some business from a city far away so she told Eric to tidy Grandma's old broken house and organized some stuff. She also told him to throw away the rubbish.

Unfortunately, Eric recklessly dropped a glass bottle by accident when he was throwing it into the trash. Suddenly, a genie came out of the bottle and said, 'How may I help you?' Eric was startled, scared, stiff and speechless. The genie continued, 'Don't be scared! I'm not hostile and ferocious. I can make a wish come true.'

Eric finally calmed down, 'I want to be taller!' The genie cast a spell, 'Abracadabra!' Eric suddenly became taller and was satisfied. However, Eric grew taller until he was taller than Grandma's house. He then complained to the genie about it. The genie told Eric that only one person could break the spell - the wizard from the mountain.

At first, Eric thought it was impossible, but then he suddenly remembered a quote - teamwork makes the dream work. Eric and the genie worked together and climbed the tall mountain. After two hours they finally reached the top of the mountain. They immediately collapsed onto the floor. Before the wizard could even ask, they already asked for a potion which could change Eric to his original height.

At last, the wizard made a potion. Eric drank it and now he was shorter. They thanked the wizard and went home together. Although the genie disappeared when Eric went home, it was still an unforgettable experience!

By 6B Chan Q

Eric's Dream Day

A long long time ago, there was a boy named Eric. He was very careless. One day, when he was tidying his house, he discovered a box. When he opened the box, he accidentally broke a glass bottle and suddenly a genie appeared! He felt very surprised so his mouth became as big as a hole.

Then the genie said, 'I can make your wish become true! Do you have a wish?' Eric thought and said, 'I want to grow taller.' Genie said, 'Abracadabra!' Then Eric became taller, as tall as a giraffe. However, he became taller than his house. He could not go into his house.

Eric felt so bad, so he asked the genie to change him back, but the genie had already disappeared. After a while, Eric thought of a fairy and asked her to change him back. However, it was not that easy. The fairy needed Eric to help her clean her house.

Finally, Eric finished the work, so the fairy changed him back! He learnt that before he made a wish, he must think twice.

Good Works in English Week Writing Competitions

The Person I Love at School

The person I love the most is called Natalie Yeung. She has small eyes, long hair and she is around the same height as me. She is very kind and polite. She says hi to everybody. During break time, we will do homework together. We also play sports together. Not only we hang out at school, we also call each other after school. We speak in English and study together. These are the reasons why I love her.

By 2A Chung Yu Kiu

The Person I Love at School

I have a best friend named Ella. She is tall and thin. She has long curly hair. Her face is round. She has big eyes and a small nose. Her lips are pink and thin too. Ella is a beautiful girl. I love her so much.

Ella is a monitress in Class 2B. She is helpful and obedient. She lives in Kam Tin and comes to school by bus with me every day. We always play rock-paper-scissors in recess time. We chat and read comics in the library. Ella is good at singing and dancing. I like playing with her all the time.

Ella's character is polite and honest. She always says 'thank you' and 'please' to everybody. She always listens to me when I feel sad. She is nice and kind. Also she has a sense of humor because she always tells jokes. Ella gives love around us.

By 2B Au Hoi Ting Heidi

How to Make a Thank You Card for Mum

Things I need:

- a white card
- stickers
- colour paper
- colour pencils
- scissors
- glue

Steps:

1. First take out the white card and fold it into half.
2. Then use the colour pencils to draw a picture of Mum and you on the cover of the card.
3. Next use the scissors to cut the colour paper into different sizes of hearts.
4. After that use glue to stick the hearts on the card and add some stickers to decorate it.
5. At last write a big 'THANK YOU' on the card.

I want to make a thank you card for my mother because she always takes care of me.

By 3B Wong Chun Ngok

How to Make a Chicken Sandwich

Things I need:

- boneless chicken breasts
- flour
- mayonnaise
- tomato slices
- buttermilk
- hamburger buns
- lettuce leaves
- oil

Steps:

1. To make a chicken sandwich, first marinate the chicken breasts in buttermilk for one hour.
2. Then coat the chicken in a mix of flour. Cook the chicken in hot oil until it is golden brown.
3. Take a hamburger bun and spread some mayonnaise on the bottom.
4. Add the cooked chicken, some lettuce and tomato slices.
5. Finally, put the top of the bun and enjoy the delicious chicken sandwich!

I want to make the chicken sandwich for my mom because she loves me very much. I want to cook a sandwich for the first time to give to my beloved mom.

By 4B Ng Tik Wai

An Unforgettable Experience I Felt Loved

One unforgettable experience that made me feel deeply loved was when my friend Andy helped me with my struggles in Mathematics. I was overwhelmed by the complexity of the concepts and started to doubt my abilities. One day, after hearing my frustrations, Andy offered to help.

We met in the library, and he patiently guided me through the difficult topics. As he explained each concept, his enthusiasm was contagious, and I began to see the subject in a new light. He never made me feel embarrassed for not understanding; instead, he celebrated my small victories along the way.

What touched me most was his commitment to my success. He spent hours with me, even when he had his own assignments to tackle. When I finally grasped the material and did well in my exam, I felt a wave of gratitude for Andy's support. That experience deepened our friendship and showed me the true meaning of love and encouragement.

By 5A Tang Hau Ming

An Unforgettable Experience I Felt Loved

One day, the weather was very cold. My dad asked me to wear a thick sweater before I went to school. But no one in the school wore thick sweaters, so I quarreled with my dad.

I endured the cold and slowly walked to school. I was surprised that I saw my classmates all wore thick sweaters. I thought they faked me. They made me want to wear one thick sweater immediately.

After two painful Chinese classes, I went to the playground and asked someone to give me a sweater, but no one agreed. Suddenly I heard a familiar voice at the school gate. It was my dad! I was surprised at that time, but I remembered I quarreled with him in the morning so I went back to the classroom.

Finally, Dad hurried to the classroom. I walked up to him. He said, 'I give you this sweater so you will not get cold.' I suddenly remembered it was a long way from home to school. I felt touched that I hugged my dad.

After this experience, I know my dad loves me a lot. I will repay him well.

By 6A Tang Long Yin

常識科

小一銜接統整課程《快樂進約瑟》

為了讓一年級的同學及早銜接和適應小學生活，本科於學期初與同學進行了一系列主題學習活動，例如：校外環境大探索——錦田遊、校園設施大檢閱、訪問學校成員、進行成果分享、自主學習（生活技能——拍攝執書包影片）、與家長一同參與慶祝會等，家長和同學們都掛着笑面加入「約瑟大家庭」呢！

二年級：種植綠豆

學生在家完成種植綠豆實驗，在兩個不同的情況下：
a. 讓綠豆自由生長；b. 讓綠豆在被重物壓住的情況下生長。
觀察兩者的變化，學生更需進行延伸任務，找出影響綠豆生長的其他因素（陽光、水、空氣），完成後回校分享那些奇妙的實驗結果呢！

三年級：自製保溫瓶

學生根據不同物料的效能、安全性及輕便性為塑膠水瓶加上合適保溫的物料。在製成品加入熱水，配合電子溫度計及計時器等測量工具進行公平測試，比較普通塑膠水瓶及自製保溫瓶在保溫功能上的分別。經過改良和測試，學生們成功製作出一個個輕便且有效能的保溫瓶！

四年級：防震建築

學生運用簡單的物料製作一座建築物的雛形，並嘗試改建為具有防震效果的建築物。他們把建築物放置於模擬地震台上，並利用應用程式 Vibrometer (震動測量儀 Apps) 量度地震強度，觀察和測試改良前後建築物的防震效果，並記錄下來，齊來看看一座座穩固的成果吧！

五年級：發光卡片

學生首先為卡片設計精美的封面，在封面上放置 LED 燈泡，內頁運用閉合電路原理，利用導電膠紙接駁電路的正負極，並適當地加入電池及開關，當卡片對摺時會形成閉合電路，燈泡便會亮起，更可把這張既特別又精緻的心意卡贈送別人呢！

六年級：投石器

學生運用槓桿原理及環保物料設計投石器的草圖，紀錄投石器力臂及重臂的長度，並進行投擲測試，製作出既省力又能投擲出較遠距離的製成品。在過程中，學生按第一次測試結果，改良投石器設計（修訂投石器力臂及重臂的長度），學生進行第二次測試，觀察結果，並進行反思。快來看看這些威力驚人的投石器吧！

●●● 科技日 ●●●

一年級：環保降落傘

學生進行兩次降落實驗，探討物件重量及形狀與物件降落速度的關係，然後配合探究情境，利用環保物料製作不同大小、形狀的降落傘，再找出高度對物件下降速度的影響，觀察及記錄測試結果，並進行改良。最後，把「麵餅」掛上各組的降落傘，看看哪一組的降落傘能安全降落地面，成功解難！

二年級：空氣炮

學生配合環保物料，製作體積大小及炮口闊度不同的空氣炮，學生利用桌面作為測試基地，拿着空氣砲射擊目標物，透過公平測試，量度及比較射程，並記錄下來。最後，找出影響空氣砲射擊力的因素，讓我們一同感受它們的威力吧！

三年級：磁力車

學生根據預習，製作帶有磁石的車架及小木棒，並用磁力的異性相吸及同性相斥原理，使磁力車移動，學生需在過程中，找出小木棒擺放的位置及磁粒的數量，使磁力車走得最快。最後更有全級競賽，齊來看看誰是「約瑟小車手」吧！

四年級：樂齡教育——智能拐杖

學生按照長者的需求，配合電腦科課程，使用 micro:bit 編程，經過多次改良，製作出適合長者日常使用的智能拐杖。最終的製成品不但能降低長者跌倒的機會，亦能在長者不慎跌倒時發出聲響及通知家屬，期望讓長者在最短的時間內得到幫助。

五年級：樂齡教育——智能聲控燈

學生了解燈光對長者的重要性，配合常識科「光」課題及電腦科課程，經過分組討論，運用 micro:bit 編程及持續測試，製作出適合長者日常使用及獨一無二的智能聲控燈，期望為長者帶來便利，特別在長者夜行時，減少發生意外的機會。

六年級：樂齡教育——智能藥盒

學生從新聞報導中發現長者誤服藥物的問題嚴重，因此，學生配合電腦科課程，使用 micro:bit 編程，製作智能藥盒，期望可改善長者多重用藥的情況。最終的製成品不但能充當鬧鐘，更能按時提醒吃藥，藉此提升長者的用藥安全。

天文流動星象廳

科技日當天特設全校性體驗活動——在禮堂放置了巨型吹氣星象廳，邀請專業機構帶領約瑟學生透過沉浸式體驗活動，飛越各個太陽系的天體，認識月相和太陽黑子等天文知識；除此以外，透過當晚實際可見的夜空，了解星座及反思光污染等社會議題，新奇的體驗讓師生樂在其中！
